SMELTER STRIKE

After an Exciting Day at Murray.

THREE ARRESTS ARE MADE.

The strike at the American smelter in

one of the dinky locomotives that hauls tractors, went over for a week. the hot slag out to the dump was bus-ily engaged in taking the slag pots out and when they saw the hot slag pouring over the dump, their fears were thoroughly aroused, in that they thought the smelter was again running full blast.

The aquedact of North Temple street, and that in consequence of this and other work the firm had done it would be inadvisable to give them any more work. This was combatted by Counting as guests of the theatre management.

In about twenty minutes all the strikers were at the gate, and were ready to do everything in their power to keep the men from going on the night shift. When the men commenced coming to their work, the strikers started to block the way. Marshal Mike Mauss and his deputies arrived at this time, and after sizing up the situation. Marshal Mauss sizing up the situation, Marshal Mauss proposition were Councilmen Hall, told the strikers to disperse and ga Hodgson, Murdoch and Raybould, home. This they refused to do. The Councilman Holley voting with the mastrikers back from the gate to the hill sideration. Chief of Police Sam S. Barlow was just opposite the plant, and ordered

slag at those who wished to enter. One of the American laborers. J. McCleary. D. Martin and Councilmen Hall, Holthe knee, causing a flesh wound. He was the only person burt. All the men succeeded in getting into their work, however, and before dispersing for the bill of \$1,600 when it came in. He night the strikers vowed vengeance upon those who dared to enter Monday morning. Here's where the incident on the bridge comes in.

Mike Mauss at the Bridge.

had all congregated on the bridge and sion had succeeded in turning back some of matshal Mauss again told them to go home. The strikers refused pointblank, and one of them spoke up and said he would stay sent back to the municipal laws comthere all day if he wanted to.

name was Joe Rustker, made a run for it. Marshal Mauss kept right after him and the fellow, seeing that escape was the board of works was ordered to side saloon. His figure was just disappearing from view when the marshal pounced upon him and, getting him by the left leg, dragged him from under the building. The man was hurrled to was hurried to the city jail and locked up.

jubilant, and when Marshal Mauss came back, two more of their number spoke up, and defled the chief of the Murray constabulary. They had no sooner utway to the city bastile, where they were locked up. The effect of the three arrests in rapid succession had the de. trolman Dan Grundvig. sired effect upon the strikers, and they melted away in short order.

Back to the Smelter.

When the time for the changing of the 3 o'clock shift rolled around yesterday afternoon, the inhabitants of Murray street, each laden with his lunch pail, and the work done next year. and they entered through the main gate, this will meet his objections. and dropped their little brass checks bearing their numbers into the slot at the window, and then went to the various departments about the smelter where they were employed before the walkout. Here they were met by the foreman in charge and set to work getting things into shape. All the men who returned to work will receive the same scale of wages as they were getting when they walked out. The charge floor men will receive the assistants will get \$1.90. Those who handle the ore buggies will get \$1.90. Those who handle the ore buggies will get \$1.90.
